QUESTION OF: Crisis Situation

- 1) Suggest the deployment of UN and/or AU forces to secure the main (only) road, in order to give security and safe conduct to vehicles bringing the necessary materials,
- 2) Proposes to create an intervention plan of emergency by;
  - a. Securing the airplane landing zone by sending AU military troops UN peacekeepers as emergency support,
  - b. Sending planes and boats containing water and food reserves from nearby developed nations,
